Requests made in the address presented to the Dewan
by the Dharmadarsis of Ghati Subrahmanya Temple.

(12th January 1935.)

Representation.

Mez 160-34-1 Notes.

1. Improvement of
the Makli and Hadonhalli
roads by providing culverts
and causeways wherever ne-
cessary.

There are two roads lead-
ing to Ghati - 1) the old road start-
ing from 3/27 of Bangalore-Hindupur
Road, and, 2) the new road starting
from 3/33 of Bangalore-Hindupur road
near Makli Railway Station. The for-
mer which is 8 $\frac{1}{2}$ miles in length, is
maintained from District Funds; and
the latter, about a mile and a quar-
ter long, from the Temple funds.
The road referred to in the address
is the new road on which there is a
big halla for which a causeway was
proposed and an estimate for Rs 2,585
was sanctioned by Government in May
1933. But the Deputy Commissioner
reported later that the funds re-
quired could not be made available
from the Muzrai funds and the work
has consequently had to be kept by.
The Chief Engineer states that the
work can be taken up immediately if
the requisite funds are placed at
the disposal of the Department.

2. To hold an In-
dustrial and Agricultural
Exhibition as an annual
feature of the Jatra at
Ghati Subrahmanya.

There does not seem to be
a real need for the holding of such
an Exhibition at Ghati, in addition
to the Dassara Exhibition at Mysore.
It is, besides, a question of cost
and the income from the Jatra is
already being fully spent. However,
within the funds that can be allot-
ted from the Jatra collections, a
small exhibition of local agricul-
tural products and small cottage
industries may be held in which the
respective departments of Govern-
ment may be requested to co-operate.
*The Director of Agriculture reports that a small agricultural
exhibition will be arranged to be held on the occasion*

3. A free grant of
Rs 6,000/- from the General
Muzrai Funds for carrying
out improvements to the
Temple, provision of street
fountains, cattle troughs,
etc.

The Muzrai Commissioner
states that it is impossible to make
large contributions to individual
institutions in view of the limited
allotments under State and Muzrai
Funds for repairs and construction
and of the large number of poor and
deserving institutions asking for
help. Nevertheless, there is no
objection, he thinks, to grant to
this institution, in view of its
importance, an annual contribution
of Rs 1,000/- for two or three years
for the proposed improvements. He

Letter No.03-2220/34-35 dated 24-1-35 from the Deputy Commissioner,

In forwarding herewith the report of the Amildar, Bangalore Taluk (No. Muz.C.315/34-35 dated the 15th January 1935) regarding the building grant and a maintenance grant to the Sri Doddabasavanna temple in Basavangudi, Bangalore

ally noted inam lands in the Sunkenahalli village, Bangalore Taluk. The temple is an ancient one and is of historical importance and has lent its name to one of the best extensions of the Bangalore City. It has also been treated as an ancient monument. Almost throughout the year, it is resorted to by the devotees in large numbers. The large image in the temple and its architectural beauty attract distinguished personages and tourists. It is therefore necessary to maintain the temple and its surroundings in an efficient and sanitary condition and keep the environments as attractive as possible

The temple has, at present, no cash grant and the income from the lands referred to above hardly suffices for the pay of the archak and paditara for the temple, leaving absolutely no margin for undertaking any improvements. The temple premises are reported to be in an unsatisfactory condition and considerable improvements are said to be necessary for rendering the whole place neat and tidy.

In the foregoing circumstances, I request that you may be so good as to sanction a grant of Rs.1000/- either from the State funds or the General Muzrai Funds for effecting the necessary improvements to the premises.

As observed above, the recurring income is not enough for entertaining the necessary staff for looking after the institution and for attending to the general conservancy of the locality. I request therefore that a cash grant of Rs.30/- per mensem may also be kindly arranged to be sanctioned for the institution so that adequate arrangements may be made for the proper up-keep of the institution and for the conduct of the sevas therein. There are no savings of defunct institutions in this district.

I request the favour of early orders in the matter.

Almost throughout the year, it is resorted to by devotees in large numbers. The large image in the temple and its architectural beauty attract distinguished personages and tourists. It is therefore necessary to maintain the temple and its surroundings in an efficient and sanitary condition and keep the environments as attractive as possible.

The temple has, at present, no cash grant and the income from the lands referred to above hardly suffices for the pay of the archak and Padithara for the temple, leaving absolutely no margin for undertaking any improvements. The temple premises are reported to be in an unsatisfactory condition and considerable improvements are said to be necessary for rendering the whole place neat and tidy.

In the foregoing circumstances, I request that you may be so good as to sanction a grant of Rs.1000/- either from the State funds or the General Muzrai funds for effecting the necessary improvements to the premises.

As observed above, the recurring income is not enough for entertaining the necessary staff for looking after the institution and for attending to the general conservancy of the locality. I request therefore that a cash grant of Rs.30/- per mensem may also be kindly arranged to be sanctioned for the institution so that adequate arrangements may be made for the proper up-keep of the institution.

Improvements to the Sri Baseveswara Temple
in Basavanagudi.

With reference to your letter No. 1046/Muz. dated the
24th January 1935, re. the above, I have the honour to forward
herewith a copy of letter No. C.3-2220-34 dated 24th January 1935
from the Deputy Commissioner, Bangalore District, recommending a
lumpsum grant of Rs 1,000/- for effecting necessary improvements
to the premises and a monthly recurring grant of Rs 30/- for the
proper up-keep of the temple and conduct of services therein.

2. The Deputy Commissioner has been intimated that
a grant of Rs 1,000/- will be made out of the State and General
Muzrai Fund grants for the current year for effecting necessary
improvements to the temple building and its surroundings and he
has been requested to expedite the submission of plan and -
estimates.

3. As regards the recurring monthly grant, the
Deputy Commissioner states that there are no savings of defunct
institutions in the District. It is not possible either to find
out defunct institutions in other districts which will give--
Rs 30/- a month permanently. In this connection I invite kind
reference to your letter No. , dated - 193 calling for
proposals for utilizing the savings out of Menam payments from
the Chattram Savings Fund. Proposals on this behalf have been
called for from the Deputy Commissioners and I recommend that
pending the disposal of the general question, a grant of Rs 30/-

Bangalore,
3rd February 1935.

Dear Sir,

I am desired to send you a copy of the Resolutions passed at the meeting of the Dharmadarsis of Muzrai Temples in Basavangudi, etc. on the 29th January 1935 and to enquire if any action has been taken in the matter of the first resolution.

Yours sincerely,

Private Secretary to Dewan.

The Deputy Commissioner,
Bangalore District,
BANGALORE.

RESOLUTIONS:-

1. It was resolved that the fact that some persons have dug a cave under some boulders in Government land behind Sri Ganapathi Temple at Basavangudi and have been using it as a dwelling place and stable without permission of Government, should be brought to the notice of Government.
2. That the temple of Sri Basaveswara at Basavangudi, Bangalore, is recognised as an ancient monument. That a number of distinguished visitors from Europe and other countries visit the place during their tour in this country and therefore it is necessary that the place should be kept clean and tidy. At present a sum of Re. 1/- only is being allotted towards the sweeping charges of the temple and surrounding open grounds which is very inadequate. The Municipal authorities have made no arrangements for sweeping, etc., as they say that the lands do not belong to them. That the temple building is old and very leaky and requires immediate repairs. It was therefore resolved that Government may be approached with a request that they may be pleased to take early steps to grant the following:-
 - a) Appointing a watchman to look after the temple and the pond behind it without giving room for strangers to commit nuisance and maintaining the premises, both inside and out, clean and tidy.
 - b) Requesting the Municipal authorities to make suitable arrangements to keep the temple and surrounding grounds in a tidy condition.
 - c) Early orders of Government for effecting necessary repairs to the building of Sri Basvesvara temple at a very early date.

Dear Sir,

With reference to the question of improvements to the premises etc., of the Sri Basaveswaraswami temple, Basavanagudi Bangalore City, I write to state that orders of Government have since been received sanctioning a monthly grant of Rs. 30/- to this Institution. Out of this recurring grant, a watchman and a sweeper at a cost of Rs. 18/- per mensem will be employed for keeping a watch over the grounds and maintaining them in a clean and tidy condition. I have seen the Superintendent, Government Gardens and permitted him to engage the staff immediately and have the grounds tidied up. It will be part of the duties of these watchmen to prevent people from committing nuisance in the locality. The Overseer of the Gardens Department will supervise the work of these watchmen.

As defiling of the premises has gone on for a long time, it would require some extra effort in the initial stages to stop the nuisance. I have therefore instructed the City Superintendent of Police to depute one or two constables every morning and evening to help the watchmen in preventing the nuisance.

As regards the nonrecurring grant of Rs. 1000/- which the Muzrai Commissioner has promised to make out of the 'General Muzrai Funds' for effecting improvements to the temple building and its surroundings, proposals are under consideration, and as soon as they are ready, they will be submitted to the Dewan.

Yours sincerely,

My dear Ramanathan,

Improvements of the grounds of Sri Basaveswara
Temple, Basavanagudi, Bangalore City.

With reference to your office letter No. C.2220 dated 20th May 1935, orders are being issued separately sanctioning the estimate for Rs 1000/- and placing the amount at the disposal of the institution for transfer to the Public Works Department.

As we agreed this morning when we inspected the place along with the Assistant Engineer and other officers, action may be taken as noted below.--

- (1) The item of wire fencing may be deferred for the present.
- (2) The Superintendent, Government Gardens, may be consulted in regard to improvements to be made in the level space opposite to the temple according to the instructions, if any, that he may have received from the Dewan.
- (3) A separate estimate to be prepared for white-washing and colour-washing the temple building.
- (4) Savings in the estimate - due to the omission of wire fencing and to the reduction of rates which may be anticipated if tenders are called for - should not be reappropriated, but should be reserved to meet items referred to under 2 and 3, when they are sanctioned.
